

COVID-19 Update

Today is Monday, May 3, 2021.

The Shackelford County Health Clinic (325-762-3661) and the ResourceCare Community Health Center (325-762-2447) have been allocated doses of the Moderna COVID-19 Vaccine.

Please call if you are interested in obtaining the vaccine.

Locally, the Shackelford County Health Clinic and the ResourceCare Health Center continue to test for COVID-19. Last week (4-26/30-21) 6 persons were tested for COVID-19 with 2 positive results. This is 3 positive tests less than the prior week (4-19/23-21). The number of persons tested during that week were 18 with 5 positive results. Currently a total of 23 patients are hospitalized due to COVID-19 in the 22-county area which makes up the Trauma Service Area which includes Shackelford County.

Thanks to the Health Care Professionals for all that they do for us and for providing this information.
