

COVID-19 Update

Today is Tuesday, August 2, 2022.

The Shackelford County Health Clinic and the ResourceCare Community Health Center tested patients for COVID-19 last week. Both testing locations combined for **9** positive test results of the **19** tests administered last week, **July 25 thru July 29**. The previous week recorded **11** positive test result for the **19** persons tested.

In Trauma Service Area "D" the DSHS is reporting **25** lab-confirmed COVID-19 patients were currently in the different hospitals in and around Abilene. This number was **22** the previous week. **1** adult COVID-19 patient is reported to be in an **ICU** bed. **No** pediatric COVID-19 patients were reported to be hospitalized in the Abilene area. **8** staffed Adult ICU beds were reported to be available in the Trauma Service Area.

The Shackelford County Health Clinic 325-762-3661 and the ResourceCare Community Health Center 325-762-2447 have doses of the Moderna COVID-19 Vaccine.

Please call if you are interested in obtaining the vaccine.

Please take all the commonsense measures and precautions you can.

Thank you to the Health Care Professionals for all that they do for us and for providing this information.
